This programme is appropriate for all guests, breaks the initial shyness and helps to lighten the mood of the evening.

PROGRAMMES FOR PARTY

MUSICAL EVENINGS

We can arrange musically themed evenings, from jazz and swing, classic dance hits of seventies and eighties, to country music.

THEMATIC EVENINGS

NAVY PARTY

A banquet in the style of the coastal states (fish, seafood, grilled meats and vegetables) with appropriate music, of course. Entertainment is ensured by competitions with a seafaring theme (throw the inflatable ring, catching fish, tying sailor knots) and mixing alcoholic and non-alcoholic drinks from different parts of the world.

JAPANESE PARTY

Refreshments are provided in the form of a Japanese style banquet, including illustration of the Tea-Ceremony. Afterward, guests can try traditional Japanese habits such as holding Japanese chopsticks (each guest will receive one pair of chopsticks as a gift, can be with company logo), kimono bindings or Japanese origami folding. Demonstration of a traditional martial art, or writing the names of the guests in Japanese characters will also be great experience. Music during the programme will be of a Japanese theme. It is possible to arrange a DJ after the programme.

BRAZILIAN NIGHT

An unusual party where guests get their exotic cocktail at the beginning of the evening and later are involved in the bartending competition. In the evening program there is also a dancer, as well as entertaining dance lessons and a subsequent dance competition. The music is in the rhythm of the Samba.

CASINO PARTY

We adapt and prepare the room chosen for your party as a casino, where guests can play with fake money (dice, poker, Black Jack, etc.). Tasting cigars and cognac is encouraged during this evening, and we recommend to include the buffet. We can tune this party into the style of the twenties or thirties thanks to stylish music and authentic clothing.

PROGRAMMES FOR PARTY

THEMATIC EVENINGS

TRADITIONAL CHRISTMAS PARTY

The main features of this Christmas party are, of course, typical old Czech habits. Roast chestnuts, mulled wine and punch are served, and we highly recommend our Old Czech banquet. Music of your choice will be provided.

TABOR UNDERGROUND TUNNELS

The plan for the evening can be kept secret - medieval figures appear and invite unsuspecting guests into the catacombs, wherein they find themselves in the middle ages and meet famous Hussite figures. All this is accompanied by a professional interpretation of the history of the underground tunnels. The tour is finished in the hotel's underground wine cellar. We recommend to continue the evening with our Old Czech banquet that we can prepare for you right in the wine cellar.

MEDIEVAL BANQUET WITH THE PROGRAM

This Medieval banquet is held at the hotel's underground wine cellar, which directly connects with the Old Town's underground tunnels. A juggler and his assistant entertain guests during the banquet and demonstrates his art.

HOTEL NAUTILUS

GOLDIE

GASTRO OFFER

Dear guests,

Allow me to warmly welcome you to Restaurant Goldie. Our cuisine focuses on Czech gastronomy in a modern, lighter concept. We use regional and always fresh ingredients, with which we work fairly and with love.

As a member of the National association of cooks and pastry cooks team of Czech Republic, I had the opportunity to peek under the lid of the cuisines of many countries of the world and bring the best ideas back to Tábor for you.

I have focused on Czech cuisine for my entire career, and so I appreciate the medals which I have received, for instance, at the IKA Olympics in Erfurt, the FHA Culinary Challenge competition in Singapore and the NRA Culinary Show in Chicago. This serves as proof that Czech gastronomy has nothing to be ashamed of even in the midst of the world's many cuisines.

I will gladly welcome you if you wish to talk to me about the food or come into the kitchen to see for yourselves.
