PROGRAMMES FOR PARTY

MUSICAL EVENINGS

We can arrange musically themed evenings, from jazz and swing, classic dance hits of seventies and eighties, to country music.

THEMATIC EVENINGS

NAVY PARTY

A banquet in the style of the coastal states (fish, seafood, grilled meats and vegetables) with appropriate music, of course. Entertainment is ensured by competitions with a seafaring theme (throw the inflatable ring, catching fish, tying sailor knots) and mixing alcoholic and non-alcoholic drinks from different parts of the world.

Demonstration of a traditional martial art, or writing the names of the guests in Japanese characters will also be great experience. Music during the programme will be of a Japanese theme. It is possible to arrange a DJ after the programme.

BRAZILIAN NIGHT

An unusual party where guests get their exotic cocktail at the beginning of the evening and later are involved in the bartending competition. In the evening program there is also a dancer, as well as entertaining dance lessons and a subsequent dance competition. The music is in the rhythm of the Samba.

CASINO PARTY

We adapt and prepare the room chosen for your party as a casino, where guests can play with fake money (dice, poker, Black Jack, etc.). Tasting cigars and cognac is encouraged during this evening, and we recommend to include the buffet. We can tune this party into the style of the twenties or thirties thanks to stylish music and authentic clothing.

PROGRAMMES FOR PARTY

THEMATIC EVENINGS

The main features of this Christmas party are, of course, typical old Czech habits. Roast chestnuts, mulled wine and punch are served, and we highly recommend our Old Czech banquet. Music of your choice will be provided.

TABOR UNDERGROUND TUNNELS

The plan for the evening can be kept secret - medieval figures appear and invite unsuspecting guests into the catacombs, wherein they find themselves in the middle ages and meet famous Hussite figures. All this is accompanied by a professional interpretation of the history of the underground tunnels. The tour is finished in the hotel's underground wine cellar. We recommend to continue the evening with our Old Czech banquet that we can prepare for you right in the wine cellar.

MEDIEVAL BANQUET WITH THE PROGRAM

This Medieval banquet is held at the hotel's underground wine cellar, which directly connects with the Old Town's underground tunnels. A juggler and his assistant entertain guests during the banquet and demonstrates his art.
