REGENERATION PROCEDURES AND WRAPS

Angelic wrap (90 minutes)

1 450 CZK

Procedure based on the beneficial effects of yoghurt and hibiscus, that has anti-inflammatory and antioxidant effects. Particularly significant is the effect of the high content of flavonoids and vitamin C, that slows cell aging and damage. Just high intake of vitamin C is important for the regeneration of muscles, joints and bones and is essential for increased physical exertion. The body is refreshed, rid of toxins and rejuvenated after this wrap. The procedure includes cleansing with sea water, peeling, wrap, rest and the final relaxation massage.

Honey wrap of Queen Kleopatra (180 minutes)

2 800 CZK

Natural honey has an extraordinary effect on the skin and the whole human organism. Massage using honey cleanses the skin from stratum particles and saturates it with oxygen. This luxury procedure has a relaxing and the curative effect and in conjunction with massage promotes toning, skin regeneration and rejuvenation of cells. It greatly helps eliminate the effect of stress or fast-paced lifestyle. The procedure includes cleansing with sea water, detoxifying massage, honey wrap, rest and final soothing massage.
